

*Flexible analog RGB COB Strip Lighting provides smooth, diffused lighting for store fixtures, backlighting or other multi-colour architectural lighting work where individual LED addressing is not required.*

D21 RGB COB LED	
Type	Dotless RGB COB
Voltage	12VDC / 24VDC
Power	9W / M
Emitting Colour	RGBW
LED Quantity	630 LEDs / M
LED Chip	COB   10mm PCB
Dimensions	W 10mm   H 1.6mm   L 5000mm
Cutting Length	Every 33mm / 50mm
IP Rating	IP22
Operating Temp	-20° to 40°C
Lumens	90 - 600Lm / M
Maximum Run	5M
Certification	cULus
